AUTHOR/EDITOR

Abi-Saleh BS

Endocarditis, meningitis, and *Streptococcus agalactiae* pneumonia: an unusual variant of Osler's triad, 42(4):39-43 (CR)

Adler DG

Alcoholic hepatitis, 42(9):55-60 (RGR)
 Pancreatic adenocarcinoma, 42(8):39-49 (CRA)
 Topics in pediatric gastroenterology: review questions, 42(7):39-40 (SAQ)

Akil M

Antidepressants and suicidality in the general hospitalized patient, 42(6):4 (LE)
 Suicidality in the general hospitalized patient, 42(1):13-18 (CRA)
 Suicidality in the general hospitalized patient, 42(1):37-38 (CRQ)

Annamalai A

Improving DVT prophylaxis in hospitalized patients: a quality improvement project, 42(12):39-45 (SMP)

Arora V

Effective communication in the inpatient care setting: an essential competency for hospitalists, 42(6):55-62 (SMP)

Baig MA

Back to basics, 42(6):44 (CB)

Barakat K

Madelung's disease in an African-American patient, 42(12):35-38 (CR)

Bernardini GL

Management of ischemic stroke, 42(9):48, 60 (CRQ)
 Management of ischemic stroke: current concepts and treatment options, 42(9):13-23 (CRA)

Bertino JS Jr

Delayed angiotensin-converting enzyme inhibitor-induced angioedema, 42(2):33-36 (CR)

Bhalodia R

Rapid progression to cardiac tamponade in systemic lupus erythematosus, 42(5):44-46 (CR)

Bhatt DL

Cardiogenic shock: review questions, 42(2):25-26 (SAQ)

Bishop WP

A child with an abdominal mass, 42(2):37-42 (PR)

Bleibel H

Extraocular myositis preceding herpes zoster ophthalmicus, 42(3):47-50 (CR)

Massive renal and retroperitoneal hemorrhage in a patient with acquired cystic kidney disease, 42(9):43-47 (CR)

Bleibel W

Extraocular myositis preceding herpes zoster ophthalmicus, 42(3):47-50 (CR)

Massive renal and retroperitoneal hemorrhage in a patient with acquired cystic kidney disease, 42(9):43-47 (CR)

Bloom-Foster JL

The shopping list, 42(5):36 (CB)

Brewster UC

Dermatologic manifestations of end-stage renal disease, 42(5):31-35 (CRA)

Dialysis modalities, 42(8):25, 38 (CRQ)

Dialysis modalities: what the non-nephrologist needs to know, 42(8):11-19 (CRA)

An elderly man with hemoptysis and acute renal failure, 42(1):43-47 (CPE)

Hypertensive disease of pregnancy: review questions, 42(12):25-26 (SAQ)

Briscoe KS

Multiple myeloma, 42(5):15-25 (CRA)

Multiple myeloma, 42(5):26, 36 (CRQ)

Campbell MD

The infected total knee arthroplasty part 1: identification and diagnosis in the primary care setting, 42(1):29-32, 36 (CRA)

The infected total knee arthroplasty part 2: management options, 42(2):29-32, 36 (CRA)

Carlisle RT

Preseptal and orbital cellulitis, 42(10):15-19 (CRA)

Preseptal and orbital cellulitis, 42(10):26, 42 (CRQ)

Chheda SG

Applying evidence to the use of celecoxib in a patient with osteoarthritis: how to address clinical questions of harm, 42(4):45-56 (SMP)

Choure AJ

Cardiogenic shock: review questions, 42(2):25-26 (SAQ)

Cody PM

Sometimes I need a reminder, 42(10):50 (MM)

Cook L

Madelung's disease in an African-American patient, 42(12):35-38 (CR)

Cross W

Trauma: review questions, 42(4):29-30, 32 (SAQ)

Dahal SK

A peculiar code, 42(10):49 (CB)

Daneschvar HL

Deep venous thrombosis: review questions, 42(9):41-42 (SAQ)

Davis SM

Fever, hip pain, and vomiting in a 7-year-old boy, 42(11):37-45 (PR)

Daw H

Deep venous thrombosis: review questions, 42(9):41-42 (SAQ)

Deckard AJ

Improving DVT prophylaxis in hospitalized patients: a quality improvement project, 42(12):39-45 (SMP)

DeSio FJ

Dilated cardiomyopathy in a patient with antiphospholipid syndrome, 42(2):43-46 (CR)

DeZee KJ

Anuria and acute renal failure caused by renal artery occlusion, 42(7):43-46 (CR)

D'Silva KJ

Extraocular myositis preceding herpes zoster ophthalmicus, 42(3):47-50 (CR)

Duchene DA

Retroperitoneal fibrosis: review questions, 42(6):27-28 (SAQ)

Eddine AC

A child with an abdominal mass, 42(2):37-42 (PR)

Elhorr A

Massive renal and retroperitoneal hemorrhage in a patient with acquired cystic kidney disease, 42(9):43-47 (CR)

Ellis E

Alcoholic hepatitis, 42(9):55-60 (RGR)

Farnan JM

Effective communication in the inpatient care setting: an essential competency for hospitalists, 42(6):55-62 (SMP)

Feldstein DA

Applying evidence to the use of celecoxib in a patient with osteoarthritis: how to address clinical questions of harm, 42(4):45-56 (SMP)

Feller-Kopman D

Pneumococcal septic shock in the setting of hyposplenic celiac disease, 42(10):21-25 (CR)

Fentress DS

Multiple myeloma, 42(5):15-25 (CRA)

Multiple myeloma, 42(5):26, 36 (CRQ)

Fernandez F

A code blue conundrum, 42(11):46 (CB)

Fleming AE

Fever, hip pain, and vomiting in a 7-year-old boy, 42(11):37-45 (PR)

Flores RJ

Massive hemoptysis, 42(5):37-43 (RGR)

Francis MD

Learning by doing: use of resident-led quality improvement projects to teach clinical practice improvement, 42(11):52-57 (SMP)

Fredrick GT

Preseptal and orbital cellulitis, 42(10):15-19 (CRA)

Preseptal and orbital cellulitis, 42(10):26, 42 (CRQ)

Fuller AK

Antidepressants and suicidality in the general hospitalized patient, 42(6):4 (LE)

Fuller JE

Antidepressants and suicidality in the general hospitalized patient, 42(6):4 (LE)

Genuardi FJ

Disorders of growth and development: review questions, 42(8):53–54 (SAQ)

Geraci AP

Ventricular tachycardia with Stokes-Adams attack, 42(8):22–25 (CR)

Giardino AP

A child with an abdominal mass, 42(2):37–42 (PR)

Fever, hip pain, and vomiting in a 7-year-old boy, 42(11):37–45 (PR)

Knee pain in a 12-year-old girl, 42(6):37–43 (PR)

Gibbs FJ

Ultrasound guidance for central venous catheter placement, 42(3):23–31 (CRA)

Ultrasound guidance for central venous catheter placement, 42(3):32, 38 (CRQ)

Glazer JL

Multidisciplinary rounds, 42(4):44 (MM)

Goldar-Najafi A

Pneumococcal septic shock in the setting of hyposplenic celiac disease, 42(10):21–25 (CR)

Greengerg A

Allergic fungal sinusitis, 42(9):61–64 (CR)

Greis PE

Problems related to the patellofemoral joint: review questions, 42(1):21–22 (SAQ)

Groh B

Disseminated tuberculosis after treatment with infliximab, 42(11):47–51 (CR)

Haffner S

Treating diabetic dyslipidemia: a review of practical recommendations based on clinical trials, 42(12):27–34 (CRA)

Hameed MS

Delayed angiotensin-converting enzyme inhibitor-induced angioedema, 42(2):33–36 (CR)

Hammer GD

Pheochromocytoma, 42(2):55–56 (CRQ)

Pheochromocytoma: an update on risk groups, diagnosis, and management, 42(2):17–24 (CRA)

Harrington T

Diabetic muscle infarction: an uncommon cause of muscle pain, 42(7):55–57 (CR)

Hemady N

Extraocular myositis preceding herpes zoster ophthalmicus, 42(3):47–50 (CR)

Hericks AJ

Status asthmaticus, 42(11):36, 45 (CRQ)

Herman MJ

Knee pain in a 12-year-old girl, 42(6):37–43 (PR)

Hesse DG

A 45-year-old woman with xanthogranulomatous cystitis, 42(1):50–52 (CR)

Howell GH

Use of bronchodilators in chronic obstructive pulmonary disease, 42(10):27–34 (CRA)

Hsu D

Ataxia in children: review questions, 42(5):27–28 (SAQ)

Hussain N

Signs and symptoms of thyroid dysfunction, 42(10):43–48 (RCS)

Illum SA

Human T-cell lymphotropic virus type I myelopathy/tropical spastic paraparesis in a 65-year-old man, 42(7):67–71 (CR)

Iskandar SB

Endocarditis, meningitis, and *Streptococcus agalactiae* pneumonia: an unusual variant of Osler's triad, 42(4):39–43 (CR)

Jacobsen ED

Hodgkin's disease: review questions, 42(6):25–26 (SAQ)

Jacofsky DJ

The infected total knee arthroplasty part 1: identification and diagnosis in the primary care setting, 42(1):29–32, 36 (CRA)

The infected total knee arthroplasty part 2: management options, 42(2):29–32, 36 (CRA)

Jahangir AA

Knee pain in a 12-year-old girl, 42(6):37–43 (PR)

Jayatilaka SG

Eosinophilic esophagitis in a patient with gas troesophageal reflux symptoms, 42(11):21–24 (CR)

Jenkins I

Nesiritide in the management of acute decompensated heart failure, 42(12):4–5 (LE)

Jibrin IM

Hypercalcemia of malignancy in hospitalized patients, 42(11):29–35 (RGR)

Jilinski SL

Anuria and acute renal failure caused by renal artery occlusion, 42(7):43–46 (CR)

Johnson JK

Effective communication in the inpatient care setting: an essential competency for hospitalists, 42(6):55–62 (SMP)

Jozwiak BJ

Teaching health communication in a family medicine residency program: report of a work in progress, 42(2):47–54 (SMP)

Kanagarajan K

Mechanical ventilation: review questions, 42(1):19–20, 22 (SAQ)

Kapoor JR

Management of acute decompensated heart failure, 42(7):47–53, 71 (RGR)

Nesiritide in the management of acute decompensated heart failure, 42(12):4–5 (LE)

Karnath BM

Clinical signs of gout, 42(1):39–42, 47 (RCS)

Clinical signs of Marfan syndrome, 42(4):33–38 (RCS)

Extraintestinal manifestations of hepatogastrointestinal diseases, 42(7):61–66 (RCS)

Signs and symptoms of thyroid dysfunction, 42(10):43–48 (RCS)

Kaushik AP

Foot and ankle injuries: review questions, 42(5):29–30 (SAQ)

Kelly CP

Pneumococcal septic shock in the setting of hyposplenic celiac disease, 42(10):21–25 (CR)

Khan BV

The metabolic syndrome: inflammation and endothelial dysfunction, 42(8):26–37 (CRA)

Valente J

Full recovery of two simultaneous cases of hydrogen sulfide toxicity, 42(5):47–50 (CR)

Varney AJ

Learning by doing: use of resident-led quality improvement projects to teach clinical practice improvement, 42(11):52–57 (SMP)

Viswanathan A

Stosstherapy for treatment of vitamin D deficiency rickets, 42(10):39–42 (CR)

Wang SS

Genetics of the metabolic syndrome, 42(10):51–61 (CRA)

Washburn RG

Human T-cell lymphotropic virus type I myelopathy/tropical spastic paraparesis in a 65-year-old man, 42(7):67–71 (CR)

Weisman D

A 60-year-old man with generalized weakness, weight loss, and right-sided flank pain, 42(3):43–46 (CPE)

Williams M

Sigmoid volvulus in a 46-year-old man, 42(1):33–36 (CR)

Wint DP

Antidepressants and suicidality in the general hospitalized patient, 42(6):4 (LE)

Suicidality in the general hospitalized patient, 42(1):13–18 (CRA)

Suicidality in the general hospitalized patient, 42(1):37–38 (CRQ)

Yarlagadda S

Acute renal failure in the hospital: diagnosis and management, 42(3):51–58 (RGR)

Yavagal DR

Management of ischemic stroke, 42(9):48, 60 (CRQ)

Management of ischemic stroke: current concepts and treatment options, 42(9):13–23 (CRA)

Yi C

Extraocular myositis preceding herpes zoster ophthalmicus, 42(3):47–50 (CR)

Young DJ

Status asthmaticus in adult patients, 42(11): 13–19, 24 (CRA)

Yuan CM

Anuria and acute renal failure caused by renal artery occlusion, 42(7):43–46 (CR)

Zafari AM

Genetics of the metabolic syndrome, 42(10): 51–61 (CRA)

The metabolic syndrome and glucose intolerance, 42(7):26–38, 71 (CRA)

The metabolic syndrome: inflammation and endothelial dysfunction, 42(8):26–37 (CRA)

Physical activity and the metabolic syndrome, 42(9):26–38 (CRA)

Zare SM

Minimally invasive surgery: review questions, 42(9):39–40, 42 (SAQ)

Zonder JA

Primary systemic amyloidosis: review questions, 42(8):51–52 (SAQ)

SUBJECT

Acquired cystic kidney disease

Massive renal and retroperitoneal hemorrhage in a patient with acquired cystic kidney disease, 42(9):43–47 (CR)

Alcoholic hepatitis

Alcoholic hepatitis, 42(9):55–60 (RGR)

Allergic fungal sinusitis

Allergic fungal sinusitis, 42(9):61–64 (CR)

Angioedema, ACE-inhibitor induced

Delayed angiotensin-converting enzyme inhibitor-induced angioedema, 42(2): 33–36 (CR)

Antiphospholipid syndrome

Dilated cardiomyopathy in a patient with antiphospholipid syndrome, 42(2):43–46 (CR)

Arrhythmia

A probable case of clarithromycin-digoxin interaction and life-threatening arrhythmia, 42(9):49–54 (CR)

Ventricular tachycardia with Stokes-Adams attack, 42(8):22–25 (CR)

Arthritis

Clinical signs of gout, 42(1):39–42, 47 (RCS)

Asthma

Status asthmaticus, 42(11):36, 45 (CRQ)

Status asthmaticus in adult patients, 42(11): 13–19, 24 (CRA)

Bronchodilators

Use of bronchodilators in chronic obstructive pulmonary disease, 42(10):27–34 (CRA)

Cancer

A child with an abdominal mass, 42(2): 37–42 (PR)

Hodgkin's disease: review questions, 42(6):25–26 (SAQ)

Hypercalcemia of malignancy in hospitalized patients, 42(11):29–35 (RGR)

Multiple myeloma, 42(5):15–25 (CRA)

Multiple myeloma, 42(5):26, 36 (CRQ)

Pancreatic adenocarcinoma, 42(8):39–49 (CRA)

Cardiac disease

Cardiogenic shock: review questions, 42(2): 25–26 (SAQ)

Management of acute decompensated heart failure, 42(7):47–53, 71 (RGR)

Nesiritide in the management of acute decompensated heart failure, 42(12):4–5 (LE)

Rapid progression to cardiac tamponade in systemic lupus erythematosus, 42(5): 44–46 (CR)

Syncope: review questions, 42(3):39–40 (SAQ)

Ventricular tachycardia with Stokes-Adams attack, 42(8):22–25 (CR)

Cardiac tamponade

Rapid progression to cardiac tamponade in systemic lupus erythematosus, 42(5): 44–46 (CR)

Cardiovascular disease

Deep venous thrombosis: review questions, 42(9):41–42 (SAQ)

Dilated cardiomyopathy in a patient with antiphospholipid syndrome, 42(2):43–46 (CR)

Peripheral arterial disease: diagnosis and medical management, 42(7):17–25 (CRA)

Peripheral arterial disease: diagnosis and medical management, 42(7):54, 72 (CRQ)

Treating diabetic dyslipidemia: a review of practical recommendations based on clinical trials, 42(12):27–34 (CRA)

Celiac disease

Pneumococcal septic shock in the setting of hyposplenic celiac disease, 42(10):21–25 (CR)

Cholecystitis

Haemophilus influenzae bacteremia complicating cholecystitis, 42(6):45–46 (CR)

Chronic obstructive pulmonary disease

Use of bronchodilators in chronic obstructive pulmonary disease, 42(10):27–34 (CRA)

Clinical Practice Exam

An elderly man with hemoptysis and acute renal failure, 42(1):43–47

A 60-year-old man with generalized weakness, weight loss, and right-sided flank pain, 42(3):43–46

Clinical Review Quiz

Accidental hypothermia, 42(12):22, 38

Dialysis modalities, 42(8):25, 38

Insulin therapy for intensive glycemic control in hospital patients, 42(4):28,56

Management of ischemic stroke, 42(9):48, 60

Multiple myeloma, 42(5):26, 36

Peripheral arterial disease: diagnosis and medical management, 42(7):54, 72

Pheochromocytoma, 42(2):55–56

Portal hypertension, 42(6):36, 46

Preseptal and orbital cellulitis, 42(10):26, 42

Status asthmaticus, 42(11):36, 45

Suicidality in the general hospitalized patient, 42(1):37–38

Ultrasound guidance for central venous catheter placement, 42(3):32, 38

Code Blue Stories

Back to basics, 42(6):44

Broccoli pizza, 42(1):38

A code blue conundrum, 42(11):46

A messy resuscitation, 42(3):18

Critical care medicine

Fluid resuscitation: review questions, 42(12): 23–24 (SAQ)

Mechanical ventilation: review questions, 42(1):19–20, 22 (SAQ)

Sepsis: review questions, 42(11):27–28 (SAQ)

Dermatology

Delayed angiotensin-converting enzyme inhibitor-induced angioedema, 42(2): 33–36 (CR)

Dermatologic manifestations of end-stage renal disease, 42(5):31–35 (CRA)

Diabetes mellitus

Diabetic muscle infarction: an uncommon cause of muscle pain, 42(7):55–57 (CR)

Insulin therapy for intensive glycemic control in hospital patients, 42(4):17–27, 38 (CRA)

Insulin therapy for intensive glycemic control in hospital patients, 42(4):28, 56 (CRQ)

Treating diabetic dyslipidemia: a review of practical recommendations based on clinical trials, 42(12):27–34 (CRA)

Dialysis

Dialysis modalities, 42(8):25, 38 (CRQ)

Dialysis modalities: what the non-nephrologist needs to know, 42(8):11–19 (CRA)

Digoxin toxicity

A probable case of clarithromycin-digoxin interaction and life-threatening arrhythmia, 42(9):49–54 (CR)

Drug, adverse events

Antidepressants and suicidality in the general hospitalized patient, 42(6):4 (LE)

Delayed angiotensin-converting enzyme inhibitor-induced angioedema, 42(2): 33–36 (CR)

Disseminated tuberculosis after treatment with infliximab, 42(11):47–51 (CR)

A probable case of clarithromycin-digoxin interaction and life-threatening arrhythmia, 42(9):49–54 (CR)

Dyslipidemia

Treating diabetic dyslipidemia: a review of practical recommendations based on clinical trials, 42(12):27–34 (CRA)

Emergency medicine

Accidental hypothermia, 42(12):16–21 (CRA)

Accidental hypothermia, 42(12):22, 38 (CRQ)

Full recovery of two simultaneous cases of hydrogen sulfide toxicity, 42(5):47–50 (CR)

Trauma: review questions, 42(4):29–30, 32 (SAQ)

Endocrinology

Disorders of growth and development: review questions, 42(8):53–54 (SAQ)
